A message from our leadership

Friends,

Even as we look forward to the opportunities that lie ahead, it is appropriate to stop and to celebrate all that we have accomplished together over the last twelve months. Glendale Memorial Health Foundation annual report to the community is our moment to pause, to acknowledge your generous support and to share with you all that it — and you — have made possible.

At Dignity Health Glendale Memorial Hospital and Health Center, our leadership, physicians and staff understand philanthropy's important role in maintaining our hospital's high standard of care today and in advancing innovative new ways to treat our patients tomorrow. Inspired and grateful giving fuels cutting-edge programs makes possible state-of-the art facilities and provides for the essential tools and technology our clinicians need to best care for our community.

Our accomplishments this year are impressive. More than 400 contributed over \$1,097,000 to advance our mission and increase access to quality health care for all. In fiscal year 2024, this generous donor support provided much needed capital equipment to our hospital.

As you read the inspirational stories of gratitude in the coming pages, remember that it is your humankindness and generosity that make Dignity Health Glendale Memorial Hospital and Health Center's exceptional care possible. The practice of medicine is ever-advancing. Our work is not done. Together, we will continue to make a difference within each of our care departments and actively impact the lives of each patient served. We are grateful for your trust, your partnership and your support. We are thankful for you.

With gratitude,
Dan Murphy
Vice President & Chief Philanthropy Officer

Glendale Memorial Health Foundation believes every act of humankindness is worthy of celebration and every expression of gratitude deserves recognition.

Glendale Charity Golf Classic 2024 Raises \$129,000 for Glendale Memorial Hospital
